Quality Improvement Plan Summary

Il nido Children's Centre

| Goals | Challenge of Practice | Success Criteria |
|---|--|--|
| Goal 1: Children will demonstrate their ability to make choices and decisions that influence their learning and wellbeing. | If we support children to express their feelings and needs, and to make choices about their learning then we will enhance their autonomy, agency and wellbeing to engage with numeracy and literacy? | <p>We will see:</p> <ul style="list-style-type: none"> • Children develop a sense of agency and autonomy over their wellbeing. • Children increase their self-awareness and self-regulation skills. • Children improve their communication and social skills. • Children enhance their wellbeing and resilience. |

| National Quality Framework Priorities | Key steps |
|--|---|
| Improve parent and family engagement in the learning program | Make regular posts to families to keep them informed of our learning to support them and their children. |
| Indoor and outdoor environment | Ensure spaces are accessible to all children, are safe and well maintained. |
| Formally publish our RAP | Once GC/MC have approved our final RAP, organise a launch for our Rap and invite families and community people to come and celebrate with us. |
